

## TOWN OF CAROLINA BEACH

### MARINA EMERGENCY REPAIRS

#### SECTION 00100 – INVITATION TO BID

The Town of Carolina Beach is currently seeking bids for the construction of the Marina Emergency Repairs Project. This is a single prime contract and all prospective bidders must possess the appropriate license and resources to complete the project in its entirety. Each bidder must show evidence it is an appropriately licensed contractor under Chapter 87 of the North Carolina General Statutes. All work within the Bid Documents shall be completed within 45 days of the Notice to Proceed.

The scope of work is as follows:

West Side Emergency Repair is Phase 1 of an overall planned improvement of the Carolina Beach Marina. Phase 1 is intended to address an immediate need to repair structural damage to the existing bulkhead due to storms. The Emergency Repair Construction to occur between February 2017 to March 2017. All work within this phase shall be completed within 45 days from Notice to Proceed. This work is to include the installation of approximately 219 linear feet of vinyl sheet pile concrete cap and the demolition and removal of approximately 235 linear feet of existing bulkhead, piles, boardwalk, decking, electrical wiring, plumbing, and miscellaneous facilities. The successful contractor will be required to coordinate with town staff for the abandonment of utilities and for the removal and storage of town equipment, fixtures, and appurtenances. Additionally, the successful contractor will work with the town for the temporary relocation and installation of existing floating docks within the marina to allow for public use during and after the completion of this phase of the work.

A Pre-Bid Meeting (not mandatory) will be held on January 26, 2017 at 2:00 PM, in the Town of Carolina Beach Council Chambers, located at 1121 N. Lake Park Boulevard, Town of Carolina Beach 28428.
