April 10, 2020

Dear Carolina Beach Citizens,

This has been such a difficult time for our community; however, I know we will persevere and come out better, wiser, and stronger when these times pass. I want you to know that the leadership and staff for the Town of Carolina Beach are working hard to ensure the right decisions are made for our community. We are listening to recommendations from the health professionals at the local, state, and federal levels while also watching trends and models showing predictions for COVID-19. We want to make sure the right level of protection is in place and we will continue to meet daily because this is such a fluid situation.

Please follow what we are doing on our Town website: www.carolinabeach.org. There will be modifications to the current orders coming as we move forward. We are also working with our partners to find ways to help with the financial hardships many of us are facing. Thank you all for your continued support in these difficult times. Please stay safe during the holiday weekend.

Sincerely,

A handwritten signature in cursive script that reads "LeAnn Pierce".

Mayor LeAnn Pierce
