What a terrific stop! The moorings were in top-notch condition and you can tell the Larry the harbormaster really cares about them. He came out to make sure everything was in good shape several times during our week here. There are 2 dinghy docks -- one at the end of Sandpiper Lane (this one is great for beach walks or to use the bathrooms), and the other at the far south end of the harbor (across the street from Island Burgers and Bites, which has terrific burgers). One negative is the lack of showers, but we walked down to the state park and used the campground showers (yes it was a long way but it's a beautiful hike). There is a dog park on the island as well -- at Mike Chappell Park, again a long walk but worth it for the pup. You can walk to Publix, less than a mile from the dinghy dock. There is also a more beachy grocery at Sea Merchants -- closer to the dinghy dock but limited selection. Auto parts store on Cape Fear Blvd, close to the dock. Plenty of great beach walking and good food, so this is terrific stop.
