- The Carolina Beach Skatepark expansion project at Mike Chappell Park is underway! Artisan Skateparks is currently at the park preparing the area for construction and equipment is in place.

A huge THANK YOU to everyone that made this possible through generous donations and time invested. This could not have been possible without the support of many local individuals, businesses,

and Friends of CB Parks & Greenways! Also, a thank you to Carolina Beach Town Council for matching the initial donations from the community. This is a great community driven project!

At this time, we are working with Artisan Skateparks to keep the park open as long as possible, but there will be times when the park must be closed. Please adhere to any signage you see or check the CB Parks and Rec. Facebook page for updates on closures.

We ask that everyone be respectful to the construction crew and the equipment and materials on site. This will go a long way towards completing the project on time.

The construction entrance to the park is on Sumter Avenue, so when visiting the skatepark, please enter through the gravel parking lot off 8th Street.
