Reviews:

David L. 6/16/24

Great mooring field! The moorings are very well maintained. All of the pennants looked new. The staff respond quickly to any questions you may have. Usually calm and quiet nights with more active days and evenings. Will stay here whenever we pass through. 11/8/23 Just an overnight stay this time. Once again, the moorings were in good condition and the excellent dockmaster came out to the mooring field to make sure everything was good. Another great night in Carolina Beach. 06/15-16/24 Always a great stop and moorings and kept in good repair.

Tom S. 6/17/24

The Carolina Beach moorings are a significantly better/quieter/calmer choice than anchoring in the Wrightsville Beach basin...unless you like getting rolled by wakes all day long. The Harbormasters, Larry and Jarrett, are friendly and helpful. The moorings are next to a dinghy dock and parking lot. If you want groceries, there is a Publix close by. Lots of restaurants, including several at the south end of the harbor where there is another dinghy dock. Overall, an excellent place to visit.

Patti P. 6/19/24

This is a great location and well-kept mooring field. A dinghy dock is right there with the mooring field and access to the fabulous beach. You can take a dinghy to the town dinghy dock if you want to ride the rides or beach with the crowds. The mooring field is the easiest way to see this wonderful beach community
