Reviews:

Gian M. 10/26/24

Cannot say enough nice things about this place. Harbor master very welcoming and helpful. The moorings are in top condition. Nice town, nicer people.

April S. 10/22/24

We enjoyed using the new catamaran slip instead of the mooring balls this time through. There are two convenient dinghy docks. One in town and one close to the beach. A new Publix is an easy walk from the town docks. There's a great little sandwich shop/convenience store by the beach dock. Then there's Larry! What a terrific Harbor master. Love this town!

PUBLIC UTILITIES/PUBLIC WORKS

WWTP:

- Staff performed all operational/maintenance tasks and laboratory analyses as necessary to maintain compliance with all applicable permits.

Utility Staff: Locates, work orders and tap verifications, clearing and demo permits.

- Continuous maintenance of existing road cuts.
